## All Star Code Welcomes Bryant Fields to Board of Directors

**New York, NY – June 18, 2025** – All Star Code is honored to announce the appointment of **Bryant Fields** to its Board of Directors. Bryant, who brings three decades of experience in life sciences data and analytics, plus regulatory innovation, currently serves as **Vice President of Clinical Data and Regulatory Innovation at Medidata Solutions**.

Bryant's career includes leadership roles at Medidata, Bayer HealthCare, Columbia University Medical Center, and Accenture. He leads clinical trials innovation and serves on the Medidata Institute and Diversity in Clinical Trials Steering Committees. His partnerships with the National Minority Quality Forum and New York Urban League underscore his commitment to advancing representation in STEM fields. A Bronx native and graduate of the Bronx High School of Science, Bryant earned his Bachelor of Science in Biological Sciences from Rensselaer Polytechnic Institute and a Master's in Epidemiology from Columbia University's Mailman School of Public Health.

*"We are excited to welcome Bryant to our Board of Directors," said Danny Rojas, Executive Director of All Star Code. "His expertise in clinical data strategy and his dedication to broadening participation in STEM align perfectly with All Star Code's mission to expand access for high-potential students historically excluded from tech. Bryant's leadership and insight will be invaluable as we continue to grow our impact."*

Bryant's election was ratified by the Board on June 18, 2025. With Bryant Fields on the Board, All Star Code is poised to further its mission and continue driving meaningful change in the tech industry.
